Close

### Enter your email address

If you have used the NHS App or other NHS websites or apps such as coronavirus (COVID-19) services, you should enter the email address you used to register for them.

We will check if you have an NHS login. If not, you can set one up.

Email address

Continue

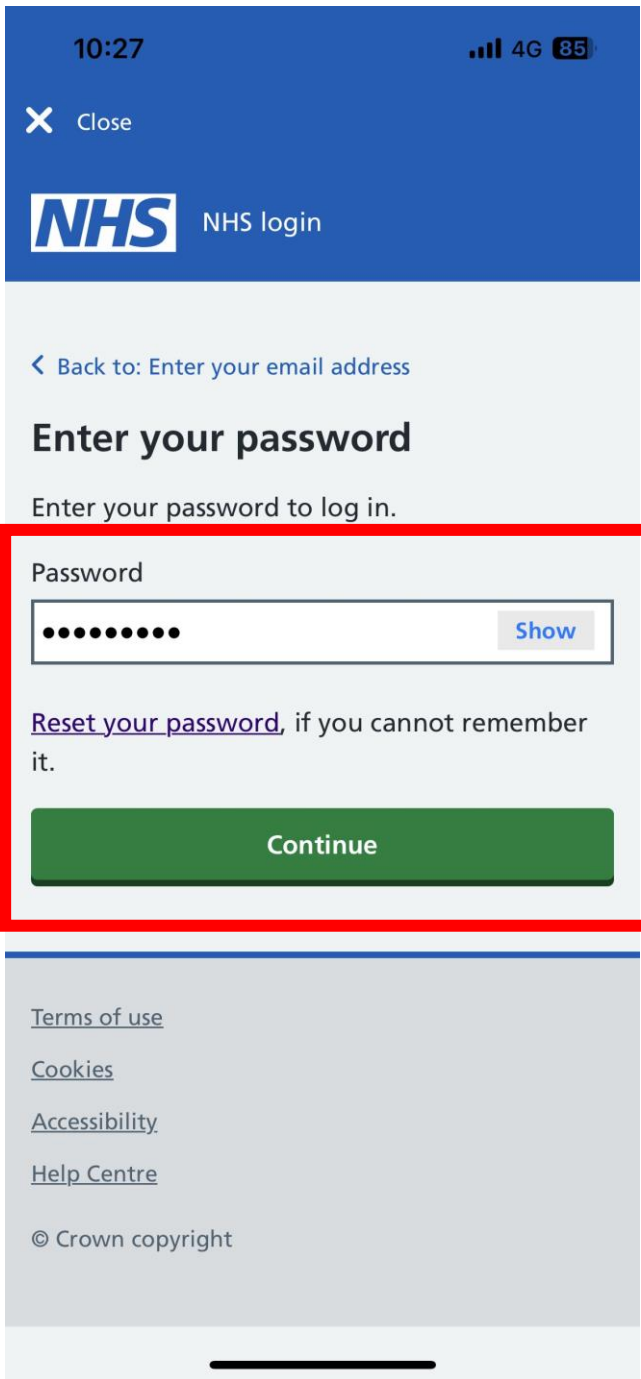

3. Type email address and press continue

### What is NHS login?

NHS login allows you to securely access health websites and apps with just your email address and a password.

Coronavirus (COVID-19)

4. Type password and press continue

# Your prescription has been requested

## You have requested

**Lansoprazole 15mg gastro-resistant capsules**

28 capsule - take one daily Last Issued: Reauthorised

Your prescription request has been sent to your GP surgery.

Once they approve your prescription, you'll need to collect it from your GP surgery.

## What you can do next

### Await approval

The request will either be approved or refused.
